

Fill in the gaps

Don't You Worry Child by Swedish House Mafia & John Martin

There was a time	We ruled the world
I (1) to look into my father's eyes	I (8) I'll (9) lose her out of
In a (2) home	sight
I was a king I had a golden throne	We were so young
Those days are gone	I think of her now and then
Now the memories are on the wall	I still hear the songs
I hear the songs	Reminding me of a friend
From the places where I was born	Up on the (10) across the blue lake
Up on the hill across the blue lake	That's (11) I had my first heartbreak
That's where I had my (3) heartbreak	I still remember how it all changed
I still (4) how it all changed	My father said
My father said	Don't you worry, don't you worry, child
Don't you worry, don't you worry, child	See Heaven's got a (12) for you
See Heaven's got a (5) for you	Don't you worry, don't you worry now
Don't you worry, don't you worry now	(Yeah)
(Yeah)	See Heaven's got a (13) for you
Don't you worry, don't you worry, child	See Heaven's got a plan for you
See Heaven's got a (6) for you	See Heaven's got a (14) for you
Don't you worry, don't you (7) now	Don't you worry, don't you worry, child
(Yeah)	See Heaven's got a plan for you
There was a time	Don't you worry, don't you (15) now
