Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats come out the bats come out to play, yean
I'll be the same when it all goes up	In the morning after
I'll be the (1) when it all goes down	The dawn is here, be gone, be on your way, yeah
Not the first one open it up	In the morning after dark
I'll be the last one closing it out	Go Nelly
Don't know if I'll give you a shot yet	I need some R.E.M. but
Little mama, I'm peeping (2) style	I don't like sleeping alone
Do I think you're dope (3) (yup)	So come and pick me up as
One way of finding it out	Soon as you put down the phone
The way you came at me (boo)	I wanna get into trouble
Don't care, not afraid, I'm like wild	Later you'll carry me home
Really want it from head to toe	I wanna go undercover
Question if she gonna let it out	I just wanna rattle your bones
Anyway the hour glass go	Yes, I'm the one and only but I'm not the only one
I don't worry anyhow	So let's work overtime on this shift, it ends with the sun
Why don't we see where it go	Maybe we can start a riot
Let's figure it out	Maybe we can run this town
When the cats come out the bats come out to play, yeah	Maybe I'll be (6) vampire
In the morning after	We could figure it out
The dawn is here, be gone, be on your way, yeah	When the cats (7) out the bats come out to play,
In the morning after	yeah
When the cats come out the bats come out to play, yeah	In the morning after
In the morning after	The dawn is here, be gone, be on your way, yeah
The dawn is here, be gone, be on your way, yeah	In the morning after
In the morning after dark	When the cats come out the bats come out to play, yeah
Come on, SoShy	In the morning after
I got a little secret for you	The dawn is here, be gone, be on your way, yeah
I never sleep when comes the night	In the morning after dark
But every time I smack my fingers	Dark, dark, dark, dark
I switch back into the light	In the morning after dark
My moon belongs to your sun	Dark, dark, dark, dark
Your (4) is burning my mind	In the morning after dark
Is it love or is it lust	Please don't leave me, girl
Something that I just can't describe	In the morning after dark
Am I the one and only	Please don't leave me, girl
'Cause you're the only one	In the morning after dark
It felt so long and lonely	Please don't leave me, girl
Waiting for you to come	When the cats come out the bats come out to play
It's looking bright and early	When the (8) come out the bats come out to play
I'm willing to close my eyes	Play, play
This is the unusual story	The dawn is here, be gone, be on your way
Timbo and SoShy	Way (way)
When the cats come out the (5) come out to play,	When the cats come out the bats come out to play
yeah	Play, play (play)
In the morning after	The dawn is here, be gone, be on your way
The dawn is here, be gone, be on your way, yeah
