Fill in the gaps

AutoTune by Jason Chen & Bubzbeauty

	You always know how to bring me (16) back
was young lost stupid	When my pitch is off
Didn't know (1) I was doing wrong	You make it all right when its all so wrong
Just eat sleep feeling free	You're my auto tune, you can be my (17) tune
Then I'd party all (2) long	
But I would (3) get too worried	Be my auto tune
About the little (4) in life	
knew I won the lottery	Baby be my auto tune
Cause (5) can't you see	
Just thinking about you as I sing this song	Just thinking about you as I (18) this song
Cause when you're around I can do no wrong	'Cause (19) you're around I can do no wrong
And I'm never too sharp, never flat	And I'm never too sharp, (20) flat
Girl imagine that	Girl imagine that
You (6) know how to bring me right back	You always (21) how to bring me right back
When my (7) is off	When my pitch is off
You make it all right when its all so wrong	You make it all right when its all so wrong
You're my auto tune, you can be my auto tune	You're my (22) (23) (you can be my
	auto tune)
Now I've found my way girl (8) since you came	Just thinking about you as I sing this song
along	'Cause when you're around I can do no wrong
As I listen to the radio, bumping to our catchy song	And I'm never too sharp, (24) flat
You (9) more than a Grammy	Girl imagine that
And all the money in the world	You always know how to bring me (25) back
Every time (10) I get off key girl	When my pitch is off
Continue to (11) me	You make it all (26) (27) its all so
Just thinking about you as I (12) this song	wrong
Cause when you're (13) I can do no wrong	You're my auto tune
And I'm never too sharp, (14) flat	You can be my (28) tune
Cirl (15) that
