Shooting Star by Owl City

Fill in the gaps

Close your tired eyes	But not this time
Relaxing them	When the sun goes down
Count from 1 to 10 and open them	And the lights burn out
All these (1) thoughts (2) try to weigh	Then it's time for you to shine
you down	Brighter (8) a shooting star
But not this time	So shine no matter where you are
Way up in the air	Fill the darkest night
You're finally free	With a brilliant light
And you can stay up there	'Cause it's time for you to shine
Right (3) to me	Brighter than a shooting star
All this (4) will try to pull you down	So shine no matter where you are
But not this time	Tonight
When the sun goes down	(Wooh, wooh, wooh)
And the lights burn out	Brighter than a shooting star
Then it's time for you to shine	Shine no matter where you are
Brighter than a shooting star	Tonight
So shine no matter where you are	A thousand heartbeats beating time
Fill the darkest night	And makes this dark planet come alive
With a brilliant light	So when the lights flicker out tonight
'Cause it's time for you to shine	You gotta shine
Brighter than a shooting star	When the sun goes down
So shine no matter where you are	And the (9) burn out
Tonight	Then it's (10) for you to shin
(Wooh, wooh, wooh)	Brighter than a shooting star
Brighter than a shooting star	So shine no matter where you are
Shine no (5) where you are	Fill the darkest night
Tonight	With a brilliant light
Gazing through my eyes	'Cause it's time for you to shine
When the fire starts	Brighter than a shooting star
And fan the flame so hot	So shine no matter where you are
It melt our hearts	Tonight
All the pouring rain	(Wooh, wooh, wooh)
Will try to put it out	Brighter than a shooting star
But not this time	Shine no matter where you are
Let your (6) burn	Tonight
And brightly burst	
Into a million sparks	
But all (7) and illuminate a world	
That'll try to bring you down	

- 1. heavy
- 2. will
- 3. next
- 4. gravity
- 5. matter
- 6. colours
- 7. dispersed
- 8. than
- 9. lights
- 10. time
