Shooting Star by Owl City

Close your (1)_____ eyes

Relaxing them

Count from 1 to 10 and open them

All these heavy thoughts will try to (2)_____ you down

But not this time

Way up in the air

You're finally free

And you can stay up there

Right next to me

All this gravity will try to pull you down

But not this time

When the sun goes down

And the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So (3)_____ no matter where you are

Fill the darkest night

With a brilliant light

'Cause it's (4)_____ for you to shine

Brighter than a shooting star

So shine no matter where you are

Tonight

(Wooh, wooh, wooh)

Brighter than a shooting star

Shine no (5)_____ where you are

Tonight

Gazing through my eyes

When the fire starts

And fan the flame so hot

It melt our hearts

All the pouring rain

Will try to put it out

But not this time

Let your colours burn

And brightly burst

Into a million sparks

But all (6)_____ and illuminate a world

That'll try to bring you down

But not this time

When the sun goes down

And the (7)_____ (8)_____ out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night

With a (9)_____ light

'Cause it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Tonight

(Wooh, wooh, wooh)

Brighter than a shooting star

Shine no matter where you are

Tonight

A thousand heartbeats beating time

And makes this dark (10)_____ come alive

So when the lights flicker out tonight

You gotta shine...

When the sun goes down

And the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night

With a brilliant light

'Cause it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Tonight

(Wooh, wooh, wooh)

Brighter than a shooting star

Shine no matter where you are

Tonight

Fill in the gaps

Answer

1. tired
2. weigh
3. shine
4. time
5. matter
6. dispersed
7. lights
8. burn
9. brilliant
10. planet
