

Fill in the gaps

If I never feel you in my arms again	That I shall never breathe again (breathe again)
If I never feel your tender kiss again	And I can't stop thinking about
If I never hear I love you now and then	About the way my life would be
Will I never make love to you once again	No, I can't stop thinking about
Please understand, if love ends	How could you love me (8) leave
Then I promise you, I promise you that	And I can't get you out of my mind
That I shall never breathe again	God knows how hard I've tried
(Breathe again, (1) again)	And if you walk (9) out my life
That I shall never breathe again (breathe again)	God knows I'd surely die
And I can't stop thinking about	And I can't stop doing without (no, no)
About the way things used to be	Without the wailing of my heart
And I can't stop thinking about	No, I can't stop doing without (no, no)
About the love that you made to me	For I would surely fall apart
And I can't get you out of my head	And I can't get you out of my mind
How in the world will I begin	And I know I can't deny it
To let you walk right out my life and blow my heart away	And I would die if you decide you won't see me again
And I can't stop caring about	If I never feel you in my arms again (if I never, ever)
About the apple of my eye	If I never feel your tender kiss again (no, no,no)
And I can't (2) doing without	If I never hear I love you now and then (now and then)
Without the center of my life	Will I never make love to you once again (never make love)
And I can't get you out of my head	Please understand, if love ends
And I know I can't pretend	Then I promise you, I promise you that
That I won't die if you decide you won't see me again	That I shall never breathe again
If I never feel you in my arms again (again)	(breathe again, breathe again)
If I (3) (4) your (5)	That I (10) never breathe again (breathe again)
kiss again (again)	That I shall never breathe again
If I never hear I (6) you now and then (and then)	(breathe again, breathe again)
Will I never make love to you once again	That I shall never breathe
Please understand, if love ends	Again
Then I promise you, I (7) you that	
That I shall never breathe again
