Tears Don't Fall by Bullet For My Valentine

Let's go!	Your tears don't fall they crash around me
With blood shot eyes I watch you sleeping	Her conscience calls the guilty to come home
The warmth I feel beside me is slowly fading	(Oh)
Would she hear me, if I called her name?	(Yeah)
Would she hold me if she if she new my shame?	This battered room I've seen before
There's always something different going wrong	The broken bones they heal no more, no more
The path I walk in the wrong direction	With my last breath I'm choking
There's always someone (1) hanging on	Will this ever end? I'm hoping
Can anybody help me make better?	My world is over one more time
