I Don't Feel Like Dancin' by Scissor Sisters

Wake up in the morning	When I see you clap your hands
With a head like what you've done	If you stick around I'm sure that you'll be fine
This used to be the life	But I don't feel like dancing when the old Joanna plays
But I don't need another one	My heart could take a chance
Good luck cutting nothing	But my two feet can't find a way
Carrying on, you (1) them gowns	You think that I could muster up
So how come I feel so lonely when you're up	A little soft, shoop devil sway
(2) down	But I don't feel like dancing, no sir, no dancing today
So I play along (3) I hear that favourite song	Don't feel like dancing, dancing
I'm gonna be the one who gets it right	Even if I find nothing better to do
You better know	Don't feel like dancing, dancing
When you're swinging around the room	Why'd you (6) down when I'm not in the mood
Looks like magic's solely yours tonight	Don't feel like dancing, dancing
But I don't feel like dancing when the old Joanna plays	Rather be home with no one when I can't get down with you
My heart could take a chance	You can't make me dance around but
But my two feet can't find a way	Your two step makes my chest pound
You think that I could muster up	Just lay me down
A (4) soft, shoop devil sway	As you blow it away into the shimmer light
But I don't feel like dancing, no sir, no dancing today	But I don't feel like dancing when the old Joanna plays
Don't feel like dancing, dancing	My heart could (7) a chance
Even if I find nothing better to do	But my two feet can't find a way
Don't feel like dancing, dancing	You think that I (8) muster up
Why'd you break down when I'm not in the mood	A little soft, shoop devil sway
Don't feel like dancing, dancing	But I don't feel like dancing, no sir, no dancing today
Rather be home with no one when I can't get down with you	Don't feel like dancing, dancing
Cities come and cities go just like the old empires	Even if I find nothing better to do
When all you do is change your clothes	Don't feel like dancing, dancing
And call that versatile	Why'd you break down when (9) not in the mood
You got so many colours make a blind man so confused	Don't feel like dancing, dancing
Then why can't I keep up	Rather be home with no one (10) I can't get down
When you're the only thing I lose	with you
So I'll just (5) that I know which way to
