### I Don't Feel Like Dancin' by Scissor Sisters

wake up in the morning	When I see you clap your hands
With a head like what you've done	If you (14) around I'm sure that you'll be fine
This used to be the life	But I don't feel like dancing when the old Joanna plays
But I don't need another one	My heart (15) take a chance
Good luck (1) nothing	But my two feet can't find a way
Carrying on, you wear them gowns	You (16) that I (17) muster up
So how come I feel so (2) when you're up	A little soft, shoop devil sway
getting down	But I don't (18) like dancing, no sir, no
So I play along when I hear that favourite song	(19) today
I'm gonna be the one who gets it right	Don't feel like dancing, dancing
You better know	Even if I find nothing better to do
When you're swinging around the room	Don't feel like dancing, dancing
Looks (3) magic's solely yours tonight	Why'd you break down when I'm not in the mood
But I don't feel like dancing when the old Joanna plays	Don't feel like dancing, dancing
My heart (4) take a chance	Rather be home with no one when I can't get down with you
But my two feet can't find a way	You can't (20) me (21) around but
You think that I could muster up	Your two step makes my chest pound
A (5) soft, shoop devil sway	Just lay me down
But I don't feel like dancing, no sir, no dancing today	As you blow it away into the shimmer light
Don't feel like dancing, dancing	But I don't feel like (22) when the old
Even if I find nothing better to do	(23) plays
Don't feel like dancing, dancing	My heart could (24) a chance
Why'd you break (6) when I'm not in the mood	But my two feet can't find a way
Don't (7) like dancing, dancing	You think that I could muster up
Rather be home with no one when I can't get down with you	A (25) soft, shoop (26) sway
Cities come and cities go (8) like the old empires	But I don't (27) like dancing, no sir, no dancing
When all you do is change (9) clothes	today
And call that versatile	Don't feel (28) dancing, dancing
You got so (10) colours make a blind man so	Even if I find (29) better to do
confused	Don't feel like dancing, dancing
Then why can't I keep up	Why'd you break down when I'm not in the mood
When you're the (11) (12) I lose	Don't (30) like dancing, dancing
So I'll just pretend that I know which way to bend	Rather be home with no one when I can't get down with you
And I'm gonna tell the whole world that you're mine	
Just (13) understand
