I Don't Feel Like Dancin' by Scissor Sisters

Wake up in the morning	When I see you clap (6) hands
With a head like what you've done	If you stick around I'm sure that you'll be fine
This used to be the life	But I don't feel like dancing when the old Joanna plays
But I don't need another one	My heart could take a chance
Good luck cutting nothing	But my two feet can't find a way
Carrying on, you wear them gowns	You (7) that I could muster up
So how come I feel so lonely when you're up getting down	A little soft, shoop devil sway
So I play along when I hear that favourite song	But I don't feel like dancing, no sir, no dancing today
I'm gonna be the one who gets it right	Don't feel like dancing, dancing
You better know	Even if I find nothing better to do
When you're swinging around the room	Don't feel like dancing, dancing
Looks (1) magic's solely yours tonight	Why'd you break down when I'm not in the mood
But I don't feel like dancing when the old Joanna plays	Don't feel like dancing, dancing
My heart could take a chance	Rather be home with no one when I can't get down with you
But my two feet can't find a way	You can't make me (8) around but
You think that I could muster up	Your two step makes my chest pound
A little soft, shoop devil sway	Just lay me down
But I don't feel like dancing, no sir, no dancing today	As you blow it away into the shimmer light
Don't feel like dancing, dancing	But I don't feel like dancing when the old Joanna plays
Even if I find nothing better to do	My heart could take a chance
Don't feel like dancing, dancing	But my two feet can't find a way
Why'd you (2) (3) when I'm not in the	You think that I could muster up
mood	A little soft, shoop devil sway
Don't feel (4) dancing, dancing	But I don't feel (9) dancing, no sir, no dancing
Rather be home with no one when I can't get down with you	today
Cities come and cities go just like the old empires	Don't feel like dancing, dancing
When all you do is change your clothes	Even if I find nothing better to do
And call that versatile	Don't feel like dancing, dancing
You got so many colours make a blind man so confused	Why'd you break down when I'm not in the mood
Then why can't I keep up	Don't (10) like dancing, dancing
When you're the (5) thing I lose	Rather be home with no one when I can't get down with you
So I'll just pretend that I know which way to bend
