

And if I say ten Hail Mary's

Fill in the gaps

Everything is wonderful	Leave a light on in Heaven
Being here is heavenly	Save me, save me
Every single day she sins	Be the (8) in my eyes
Everything is free	And if I say ten Hail Mary's
I used to be so careless	Leave a light on in Heaven for me
As if I couldn't care less	If you want the fruit to fall
Did I (1) to make this place	You have to give the tree a shake
When I was Mary's prayer	But if you (9) the tree too hard
Suddenly the (2) rolled	The bough is gonna break
Suddenly the (3) came down	And if I can't reach the top of the tree
Suddenly was washed away	Mary you can hold me up there
The Mary that I knew	What I wouldn't give to be
So when you find (4) you keep	When I was Mary's prayer
Think of me and celebrate	So if I say save me, (10) me
I made (5) a big mistake	Be the light in my eyes
When I was Mary's prayer	And if I say ten hail Mary's
So if I say save me, save me	Leave a (11) on in Heaven
Be the light in my eyes	Save me, save me
And if I say ten Hail Mary's	Be the (12) in my eyes
Leave a light on in (6) for me	And if I say ten (13) Mary's
Blessed is the one who shares	Leave a light on in Heaven
The power and your beauty, Mary	Save me, (14) me
Blessed is the millionaire	Be the light in my eyes
Who shares your (7) day	What I wouldn't give to be
So when you find somebody to give	When I was Mary's prayer
Think of me and celebrate	What I wouldn't give to be
I made such a big mistake	When I was Mary's prayer
When I was Mary's prayer	What I wouldn't (15) to be (save me)
So if I say save me, save me	When I was Mary's prayer
Be the light in my eyes
