Fill in the gaps

Sign Your Name (Cover) by Sheryl Crow

Fortunately you	Sign your name (5) my heart (across my
Have someone who (1) on you	heart)
We started out as friends	I want you to be my baby
But the thought of you just caves me in	Birds never (6) into the sun before the day is
The symptoms are so deep	gone
It's much too late to turn away	(Oh) the light shines (7) on a peaceful day
We started out as friends	A stranger blue
Sign your name across my heart (across my heart)	Leaves us alone, we don't want to deal with you
I want you to be my baby	We'll shed our stains
Sign your name across my heart (across my heart)	Showering in the room that makes the rain
I (2) you to be my baby	All alone (8) you
Time, I'm sure, will bring	Makes the butterflies in me arise
Disappointments in so many things (so (3) things)	Slowly we make love
It seems to be the way	Sign your name across my heart (across my heart)
When your gambling cards on love you play	I want you to be my baby
I'd rather be in hell	Sign your name across my heart (across my heart)
With you, baby, than in cool Heaven	I (9) you to be my baby
It seems to be the way	Sign your name across my heart (sign your name)
Sign your name across my (4) (across my heart)	
I want you to be my baby
