It's (1) and done		You'll (12) see me fall apart
But the (2) lives on inside		In the words of a broken (13) it's just emotions
And who is the one you're clinging to		Taking me over (taking me over)
Instead of me tonight		Caught up in sorrow, lost in the song
And where are you now		But if you don't come back
Now that I need you		Come home to me darling
Tears on my pillow		Don't you (14) there's nobody left in this world
Wherever you go, go		To (15) me tight (nobody left in this world)
I'll cry me a river		Nobody left in this world
That (3) to your ocean		To kiss good night (nobody left in this world)
You'll (4) see me fall apart		Good night
In the words of a broken heart it's just emotions		And (16) are you now
Taking me over		Now that I need you, you
Caught up in sorrow, (5) in the song		Tears on my pillow
But if you don't come back		Wherever you, you go
Come home to me darling		I'll cry me a river
Don't you know there's nobody left in this world		That leads to (17) ocean
To hold me tight		You'll never see me fall apart
Don't you know there's (6) le	eft in	In the words of a broken heart It's just emotions
(7) world		Taking me over
To (8) goodnight (kiss good night)		I'm caught up in sorrow, lost in the song
Good night		But if you don't come back
Good night		Come home to me darling
I'm there at your side		Nobody left in this (18) to hold me tight
A part of all the things you are		(Nobody to hold me)
But you (9) a part of someone else		Nobody (19) in (20) world to kiss
You gotta go find your shining star		(21) night

Now that I (10) you		Good night
Tears on my pillow		Good night
Wherever you go		
I'll cry me a river		
That (11) to your ocean
