

## Fill in the gaps

It's over and done	You'll never see me (5) apart
But the heartache lives on inside	In the words of a broken heart it's just emotions
And who is the one you're (1) to	Taking me over (taking me over)
Instead of me tonight	Caught up in sorrow, lost in the song
And where are you now	But if you don't come back
Now that I (2) you	Come home to me darling
Tears on my pillow	Don't you (6) there's nobody left in this world
Wherever you go, go	To hold me tight (nobody left in this world)
I'll cry me a river	Nobody left in (7) world
That (3) to your ocean	To kiss good night (nobody left in (8) world)
You'll never see me fall apart	Good night
In the (4) of a broken heart it's just emotions	And where are you now
Taking me over	Now that I need you, you
Caught up in sorrow, lost in the song	Tears on my pillow
But if you don't come back	Wherever you, you go
Come home to me darling	I'll cry me a river
Don't you know there's nobody left in this world	That leads to your ocean
To hold me tight	You'll never see me fall apart
Don't you know there's nobody left in this world	In the words of a broken heart It's just emotions
To kiss goodnight (kiss good night)	Taking me over
Good night	I'm caught up in sorrow, lost in the song
Good night	But if you don't come back
I'm there at your side	Come home to me darling
A part of all the things you are	Nobody left in this world to hold me tight
But you have a part of someone else	(Nobody to hold me)
You gotta go find your shining star	Nobody left in this world to kiss (9) night
And where are you now	(Nobody to kiss me)
Now that I need you	Good night
Tears on my pillow	Good night
Wherever you go	
I'll cry me a river	
That leads to your ocean
