You think you're a genius, you (5) me up the	You make me take off my (18)
wall	(19) you let me get in
You're a regular original, a know-it-all	I can't (20) you (21) your can
You (6) you're special	good night
You think you're something else	Now come on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't impress me much	You (22) you're something special
So you got the brain but have you got the touch	You think you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But that won't keep me (7) in the middle of the	That don't impress me much
night	So you got the (23) but have you got the touch
That don't impress me much	Now, don't get me wrong, yeah, I think you're alright
I (8) knew a guy who carried a mirror in his	But that won't keep me warm in the (24) of
pocket	the night
And a comb up his sleeve, just in case	That don't impress me much
And all (9) extra hold gel in your hair	You think you're cool but (25) you got the touch
(10) to lock it	Don't get me wrong, yeah, I think you're alright
'Cause Heaven forbid, it should (11) out of place	But that won't keep me warm on the long, cold,
You (12) you're special	(26) night
You think you're something else	That don't impress me much
Okay, so you're Brad Pitt	Ok, so what do you think you're Elvis or something
That don't (13) me much	Whatever
So you got the looks but (14) you got the touch	That don't impress me
Now don't get me wrong, yeah I think you're alright	
But that won't keep me warm in the (15) of	
the night
