## That Don't Impress Me Much by Shania Twain

I've known a few guys who thought (1) were pretty	That don't impress me much
smart	You're one of those guys who likes to shine his machine
But you've got being right (2) to an art	You make me take off my shoes before you let me get in
You think you're a genius, you drive me up the wall	I can't believe you kiss your car good night
You're a regular original, a know-it-all	Now (5) on baby tell me
You think you're special	You must be joking, right
You think you're something else	You think you're something special
Okay, so you're a rocket scientist	You think you're something else
That don't impress me much	Okay, so you've got a car
So you got the brain but have you got the touch	That don't impress me much
Don't get me wrong, yeah, I think you're alright	So you got the (6) but have you got the touch
But that won't keep me warm in the middle of the night	Now, don't get me wrong, yeah, I think you're alright
That don't impress me much	But that won't keep me warm in the middle of the night
I never knew a guy who carried a mirror in his pocket	That don't impress me much
And a comb up his sleeve, just in case	You think you're cool but have you got the touch
And all that extra hold gel in your hair ought to lock it	Don't get me wrong, yeah, I think you're alright
'Cause Heaven forbid, it (3) fall out of place	But that won't keep me warm on the long, cold, lonely night
You (4) you're special	That don't impress me much
You think you're something else	Ok, so what do you (7) you're Elvis or something
Okay, so you're Brad Pitt	Whatever
That don't impress me much	That don't impress me
So you got the looks but have you got the touch
