## Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was lost in the forest
From the (1) time we saw	And you showed me the way
We could wait for this moment	When the night's on fire
Like rocks on the shore	(Oh) Will you keep the candlelight burning
We can never	Hold on to your heart's desire
Be closer somehow	When you see one bird
For the moment that lasts	Into the (6) another one's turning
Is this moment now	And the two can fly much higher (higher)
When the night's on fire	We are islands but never too far
(Oh) Will you keep the (2)	We are islands
burning	And I need your light tonight
Hold on to your heart's desire	And I need (7) light tonight
When you see one bird	We are islands but never too far
Into the wind another one's turning	We are islands
And the two can fly (3) higher (higher)	And I (8) your (9) tonight
We are islands but never too far	And I need your light tonight
We are islands	We are islands but never too far
And I need your light tonight	We are islands
And I need your light tonight	And I need your light tonight
We are islands but never too far	And I need your light tonight
We are islands	We are islands but never too far
And I (4) your light tonight	We are islands
And I need your light tonight	And I need your (10) tonight
Islands	And I need your light tonight
Never (5) to before	We are islands but never too far
And we climb so high	We are islands
To where the wild birds soar
