Fill in the gaps

These Words by Natasha Bedingfield

These words are my own	From my heart flown
Threw some (1) together	I love you, I love you, I love you
The combination D-E-F	There's no other way
Is who I am, is what I do	To better say
No one's gonna let it down for you	I love you, I love you
I try to focus my attention	I'm (12) off my stage
But I feel so A-D-D	The curtains pull away
I need some help, (2) inspiration	No hyper (13) to hide behind
But it's not coming easily (Uh oh)	My naked soul exposes
Trying to find the magic (Uh oh)	
Trying to write a classic (Uh oh)	(Uh oh) (14) to (15) the magic (Uh
Don't you know, don't you know, (3) you	oh)
know (Uh oh)	Trying to write a classic (Uh oh)
Waste bin full of paper (uh oh)	Waste bin full of (16) (Uh oh)
Clever rhymes, see you later	Clever rhymes, see you later
These words are my own	These words are my own
From my heart flown	From my heart (17) (don't you know)
I (4) you, I love you, I love you	I love you, I love you, I love you
There's no other way	There's no (18) way
To better say	To better say
I (5) you, I love you	I love you, I love you, I love you
Read some Byron, (6) and Keats	These words are my own
Resided in over a Hip hop beat	From my (19) flown
I'm having trouble saying (7) I mean	I love you, I love you, I love you
With dead poets and drum machines	There's no (20) way
You know I had some studio time booked	To better say
But I couldn't find a killer hook	l love you, I (21) you, I (22) you
Now (8) gonna raise the bar	These (23) are my own
(9) up	They're from my heart
Nothing I write is ever good (enough)	I love you, I (24) you
These words are my own	That's all I've got to say
From my heart flown	Can't (25) of a better way
I love you, I love you, I love you	That's all I've got to say
There's no other way	I love you is that ok
To (10) say	
I love you, I love you	
These (11) are my own
