

## Fill in the gaps

I think you (1) come over, yeah I heard it	But for now just come here, let me whisper in your ear
through the grapevine.	An invitation to the dance of life
Are you drunk or you sober? Think about it, doesn't matter	Come join the party, (7) a celebration
And if it makes you feel good then I say do it,	Anybody (8) won't do
I don't know what you're waiting for	Let's get (9) started, no more hesitation
Feel my temperature rising	Coz everybody wants to party with you
There's too much heat I'm gonna lose control	Haven't I seen you somewhere before?
Do you want to go higher, get closer to the fire,	You look familiar
I (2) know what you're waiting for	You wanna dance? Yeah.
Come join the party, yeah	I guess I just don't recognize you with your clothes on
Coz anybody just (3) do.	(laughs)
Let's get (4) started, yeah	What are you waiting for?
Coz everybody wants to party with you.	Boy you've got it
Boy you got a reputation, but you're gonna have to prove it	Coz anybody (10) won't do
I see a (5) hesitation,	Let's get it started, no more hesitation
Am I gonna have to show you that if it (6) right,	Coz everybody wants to party with you
get on your marks	
Step to the beat boy that's what it's for	
Put your arms around me	
When it gets too hot we can go outside
