Fill in the gaps

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And it'll be love, love, love, all over her face
With the sun shining down over me and you	And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all these moments
I'll put my hands over your eyes, but you peek through	Are just in my head
And there'll be sun, sun, sun	I'll be thinking about them as I'm lying in bed
All over our bodies, and sun, sun, sun	And I know (8) it merely, they might not even come
All down our necks there'll be sun, sun, sun	true
All (1) our faces and sun, sun, sun	But in my mind I'm having a pretty good time with you
So, what the heck	Oh in five years time
'cause I'll be laughing at your silly little jokes	I (9) not know you
And we'll be laughing about how we (2) to smoke	In five years time
All those stupid little cigarretes and drink (3)	We might not speak
wine	In five years time
'Cause it's what we needed to have a good time	We might not get along
But it was fun, fun, fun	In five years time
When we were drinking, it was fun, fun, fun	You might just prove me wrong
When we were drunk and it was fun, fun, fun	Oh there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, (4) I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no (5) feel, I have to be James	Wherever you go there'll be love, love, love
Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love, love, love
And I'm (6) pretty happy	Wherever you go there'll be love
When I'm just kicking back with you	
And it'll be love, love, love, all through our bodies	
And love, love, love, all (7) our minds	

- 1. over
- 2. used
- 3. stupid
- 4. well
- 5. longer
- 6. always
- 7. through
- 8. that
- 9. might
