When I Get Where I'm Going by Brad Paisley & Dolly Parton

When I get (1) I'm going	I will shed the sins and struggles
On the far side of the sky	I (9) carried all these years
The first thing that I'm gonna do	And I'll leave my heart wide open
Is spread my wings and fly	I will love and have no fear
I'm gonna land beside a lion	Yeah, when I get where I'm going
And run my fingers through his mane	Don't cry for me down here
Or I might find out what it's like	So much pain and so much darkness
To ride a drop of rain	In (10) world we stumble through
Yeah, (2) I get where I'm going	All these questions I can't answer
There'll be only happy tears	So much work to do
I will shed the sins and struggles	But when I get where I'm going
I have carried all these years	And I see my Maker's face
And I'll leave my heart (3) open	I'll stand forever in the light
I will (4) and have no fear	Of His amazing grace
Yeah, when I get (5) I'm going	Yeah, when I get where I'm going
Don't cry for me down here	(Oh) when I get where I'm going
I'm gonna walk with my grand daddy	There'll be only happy tears
And he'll match me (6) for step	Hallelujah
And I'll (7) him how I missed him	I will love and have no fear
Every minute since he left	
Then I'll hug his neck	
Yeah, when I get where I'm going	
There'll be (8) happy tears
