

## Fill in the gaps

There was a new girl in town
She had it all figured out (had it all figured out)
Well I'll state something rash
She had the most amazing smile
I bet you didn't expect that
She made me change my ways
(She (1) me change my ways)
With eyes like the sunsets, baby
And legs that went on for days
I'm falling in love
But it's (2) apart
I need to find my way back to the start
When we were in love
Oh, things were better than they are
Let me back into, into your arms
(Into your arms)
She made her way to the bar
I tried to talk to her but she seemed so far
(She (3) so far)
Out of my league (out of my league)
I had to find a way to get her next to me
I'm falling in love
But it's falling apart

I need you to find my way back to the start	
When we were in love things were better (4) the	y
are	
Let me back into	
Into your arms (into your arms)	
(Oh) she's (5) away	
I (6) (7) when I'm thinking of	f
words to say	
All the things she does	
Make it seem like love	
If it's just a game (just a game)	
I like the way that we play	
I'm falling in love, but it's (8) apart	
I need you to find my way back to the start	
I'm falling in love, but it's falling apart	
I need you to find my way back to the start	
When we were in love things were better than they are	
Let me back into	
Into your arms
