

Fill in the gaps

were

There was a new (1) in town	I need you to find my way back to the start
She had it all figured out (had it all figured out)	When we were in love things were better than they are
Well I'll state (2) rash	Let me back into
She had the most amazing smile	Into your arms (into your arms)
I bet you didn't expect that	(Oh) she's slipping away
She made me (3) my ways	I always reach when I'm thinking of words to say
(She made me change my ways)	All the things she does
With (4) like the sunsets, baby	Make it seem like love
And legs that went on for days	If it's just a game (just a game)
I'm falling in love	I (6) the way that we play
But it's falling apart	I'm falling in love, but it's (7) apart
I need to find my way back to the start	I (8) you to find my way back to the start
When we were in love	I'm falling in love, but it's falling apart
Oh, things were better than they are	I need you to find my way back to the start
Let me back into, into your arms	When we were in love (9)
(Into your arms)	(10) than they are
She made her way to the bar	Let me back into
I tried to talk to her but she seemed so far	Into your arms
(She seemed so far)	Into your arms
Out of my (5) (out of my league)	Into your arms
I had to find a way to get her next to me	Into your arms
I'm falling in love	
But it's falling apart
