## Why Can't I? by Liz Phair

## Fill in the gaps

It's inevitable

Get a load of me, get a load of you
Walkin' down the street, and I hardly know you
It's just like we were meant to be
Holding hands with you when we're out at night
Got a girlfriend, you say it isn't right
And I've got someone waiting too
What if this is just the beginning
We're already wet, and we're gonna go swimming
Why can't I breathe whenever I (1)
(2) you
Why can't I speak whenever I talk about you
It's inevitable
It's a fact that we're gonna get down to it
So tell me
So tell me Why can't I breathe (3) I think about
Why can't I breathe (3) I think about
Why can't I breathe (3) I think about you
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up  Finding someone else you can't get enough of
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up Finding someone else you can't get enough of Someone who wants to be with you too
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up Finding someone else you can't get enough of Someone who wants to be with you too  It's an itch we (5) we are gonna scratch
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up Finding someone else you can't get enough of Someone who wants to be with you too  It's an itch we (5) we are gonna scratch Gonna take a (6) for this egg to hatch
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up Finding someone else you can't get enough of Someone who wants to be with you too  It's an itch we (5) we are gonna scratch Gonna take a (6) for this egg to hatch  But wouldn't it be beautiful
Why can't I breathe (3) I think about you  Isn't (4) the best part of breakin' up Finding someone else you can't get enough of Someone who wants to be with you too  It's an itch we (5) we are gonna scratch Gonna take a (6) for this egg to hatch But wouldn't it be beautiful Here we go, we're at the beginning

It's a fact that we're gonna get down to it
So tell me
Why can't I breathe whenever I think about you
High enough for you to make me wonder
Where it's goin'
High enough for you to pull me under
Somethin's growin'
Out of this that we can control
Baby I am dyin'
Why can't I breathe whenever I think about you
Why can't I speak whenever I talk (8) you
Why can't I breathe whenever I think about you
Why can't I speak whenever I talk about you
It's inevitable
It's a fact that we're gonna get (9) to it
So tell me
Why can't I breathe whenever I think about you
Whenever I think about you
Whenever I (10) about you
Whenever I think about you
Whenever I think about you
