## How Far We've Come by Matchbox Twenty

I'm waking up at the start of the end of the world	Oh well, I guess, we're gonna pretend
But it's feeling just like every other morning before	Let's see how far we've come
Now I wonder what my life is going to (1) if it's	Let's see how far we've come
gone	It's gone, gone, baby, it's all gone
The cars are moving like a half a mile an hour and I	There's no one on the corner and there's no one at home
Started staring at the passengers waving goodbye	Well it was cool cool, it was just all cool
Can you tell me what was ever really special	Now it's over for me and it's over for you
About me all this time	Well it's gone, gone baby it's all gone
But I (2) the world is burning to the ground	There's no one on the corner and there's no one at home
Oh well, I guess we're gonna find out	Well it was cool, cool, it was just all cool
Let's see how far we've come	Now it's over for me and it's over for you
Let's see how far we've come	I believe the (8) is burning to the ground
I believe, it all, is coming to an end	Oh well, I guess we're gonna find out
Oh well, I guess, we're (3) pretend	Let's see how far we've come
Let's see how far we've come	Let's see how far we've come
Let's see how far we've come	Well I believe, it all, is coming to an end
I think it turned ten o'clock but I don't really know	Oh well, I guess, we're (9) pretend
Then I can't remember (4) for an hour or so	Let's see how far we've come, again
Started crying and I couldn't stop myself	Let's see how far we've come
I (5) but there's no	Let's see how far we've come
where to run to	Let's see how far we've come
I sat down on the street, took a look at myself	Let's see how far we've come
Said where you're going man	Let's see how far we've come
You know the world is headed for hell	Let's see how far we've come
Say all goodbyes	Let's see how far we've come
If you've got (7) you can say goodbye to	Let's see how far we've come
I believe the world is burning to the ground	
Oh well, I guess we're gonna find out	
Let's see how far we've come	
Let's see how far we've come	
I believe, it all, is coming to an end
