

That I put down in words

Fill in the gaps

Your Song (Cover) by Ellie Goulding

It's a little bit funny	How (10) life is
This feeling inside	Now you're in the world
I'm not one of those who can	If I was a sculptor
Easily hide	But then (11) no
I don't have much money	Or a (12) who makes (13)
But boy if I did	A traveling show
I'd buy a big (1) where	I (14) it's not (15) but
We both (2) live	It's the (16) I can do
So (3) me forgetting	My gift is my (17) and
But these things I do	This one's for you
See I've (4) if	
They're green or they're blue	And you can (18) everybody
Anyway the thing is	This is your song
What I really mean	It may be quite (19) but
Yours are the (5) eyes	Now that it's done
I've ever seen	I hope you don't mind
And you can (6) everybody	I hope you don't mind
This is your song	That I put (20) in words
It may be (7) (8) but	How wonderful (21) is
Now that it's done	Now you're in the world
I (9) you don't mind	
I hope you don't mind
