

Fill in the gaps

Paint It Black (Live) by The Rolling Stones

	My (18) will (19) (20) me
I see a red door and I want it (1) black	Before the mornin' comes
No (2) anymore, I want them to	I see a red door and I (21) it painted black
(3) black	No (22) anymore, I want them to turn black
I see the girls (4) by	I see the girls go by
Dressed in (5) (6) clothes	Dressed in their summer clothes
I have to turn my head	I (23) to turn my head
Until my darkness goes	Until my darkness goes
I see a line of cars and they're all (7) black	
With flowers and my (8) both never to	I wanna see (24) (25) painted
(9) back	Painted black
I see people (10) their heads	Black as night
And (11) look away	Black as coal
Like a newborn baby, it (12) happens every day	I wanna see the sun
l look inside myself and see my (13) is black	Blotted out from the sky
No (14) anymore, I want them to	I (26) see it painted
(15) black	Painted black, yeah!
Maybe then I'll fade away and not have to (16) the	
facts	
It's not easy facin' up	
When your whole world is black	
No more will my (17) sea go turn a deeper blue	
I could not foresee this thing happening to you	
If I look hard enough into the settin' sun	

1. painted
