

Fill in the gaps

My Life Would Suck Without You by Kelly Clarkson

Guess (1) (2) you're sorry	And honestly
You're standing at my door	My life (my life) would suck (would suck)
Guess (3) means you take back	Without you
All you (4) before	Being (16) you
_ike how (5) you wanted	Is so disfunctional
Anyone but me	I (17) shouldn't miss you
Said you'd (6) (7) back	But I (18) let you go
But here you are again	(Oh yeah)
Cause we belong together now, yeah	'Cause we (19) (20)
Forever united here somehow, yeah	now, yeah
You got a piece of me	Forever (21) here somehow, yeah
And honestly	You got a piece of me
My (8) (my life) (9) suck (would suck)	And honestly
Nithout you	My life (my life) would suck (would suck)
Maybe I was (10) for telling you goodbye	Without you
Maybe I was (11) for tryin' to pick a fight	'Cause we belong (22) now, yeah
know (12) I've got issues	Forever united here somehow, yeah
But you're pretty messed up too	You got a piece of me
Either way, I found out I'm nothing without you	And honestly
Cause we (13) together now, yeah	My (23) (my life) (24) suck (would
Forever (14) (15) somehow, yeah	suck)
You got a piece of me	Without you
