I Know You Care by Ellie Goulding

Clinging to me	I know it is always (13) there
Like a last breath you would breathe	But there is trouble ahead I can feel it
You were like home to me	You were just (14) yourself when you hide it
I don't recognize this street	Yeah, I know you care
Please don't close your eyes	I see it in the way that you stare
Don't know where to look without them	As if (15) was trouble ahead and you
Outside the cars (1) by	(16) it
I've (2) heard (3) until now	I'll be (17) myself from the ruin
I (4) you care	I know it wasn't always wrong
I (5) it is always been there	But I've (18) known a Winter so cold
But there is (6) ahead I can feel it	No, I don't (19) my hands in (20) coat
You were just saving yourself when you hide it	But I still hope
Yeah, I know you care	'Cause (21) is how (22) ought to
I see it in the way you stare	have been
As if there was trouble (7) and you knew it	And I know the words are there
I'll be (8) myself from the ruin	Wasn't all (23) it seemed, why can't I dream
And I know you care	Why can't I dream
I used to run (9) the stairs	'Cause I know you care
To the (10) and I (11) you were	And I know you care
there	I know you care
To shape to the comfort of us	I know you care
Two lovers (12) out of love	I know it's (24) (25) there
But I know you care
