

Fill in the gaps

| Clinging to me | I know it is always (5) there |
|------------------------------------------------|------------------------------------------------|
| Like a last breath you would breathe | But there is trouble (6) I can feel it |
| You were like home to me | You were just saving yourself when you hide it |
| I don't recognize this street | Yeah, I know you care |
| Please don't close your eyes | I see it in the way that you stare |
| Don't know where to (1) without them | As if there was (7) ahead and you knew it |
| Outside the cars speed by | I'll be saving myself from the ruin |
| I've never heard them (2) now | I know it wasn't always wrong |
| I know you care | But I've never known a Winter so cold |
| I know it is (3) been there | No, I don't warm my hands in your coat |
| But there is trouble ahead I can (4) it | But I still hope |
| You were just saving yourself when you hide it | 'Cause this is how (8) ought to (9) |
| Yeah, I know you care | been |
| I see it in the way you stare | And I know the words are there |
| As if there was trouble ahead and you knew it | Wasn't all that it seemed, why can't I dream |
| I'll be saving myself from the ruin | Why can't I dream |
| And I know you care | 'Cause I (10) you care |
| I used to run down the stairs | And I know you care |
| To the door and I thought you were there | I know you care |
| To shape to the comfort of us | I know you care |
| Two lovers locked out of love | I know it's always been there |
| But I know you care | |
