## Be Without You by Mary J. Blige

And I'll be waiting up until you get home

## Fill in the gaps

I wanna be with you, (1) be with you,	'Cause I can't sleep without you baby
(2) to be with you	If anybody who's ever loved, you know just what I feel
I (3) be with you, gotta be with you, need to be	Too hard to fake it, nothing can replace it
with you	Call the radio if you just can't be (5) your
Chemistry was crazy from the get-go	baby
Neither one of us knew why	Yeah
We didn't build nothing overnight 'cause	See this is real talk come on always stay (no matter what)
A love like this takes some time	Good or bad (thick and thin)
People swore it off as a phase	Right or wrong (all day everyday)
Said we can't see that	Now if you're down on love or don't believe
Now (from) top to bottom	This ain't for you (no, this ain't for you)
They see that we did that (yes)	And if you got it deep in your heart
It's so true that (yes)	And deep down you know that it's true (come on)
We've been through it (yes)	Well, let me see you put your hands up (hands up)
We got real () (yes)	Fellas (6) your lady (she's the one)
See baby we've been too strong for too long	Fellas tell your lady she's the one
And I can't be without you baby	Put your hands up (hands up)
And I'll be waiting up until you get home	Ladies let him know he's got (7) love
'Cause I can't sleep without you baby	Look him right in his eyes and tell him
Anybody who's ever loved, you know just what I feel	We've been too (8) for too long
Too hard to fake it	And I can't be without you baby (can't be without you baby)
Nothing can replace it	I'll be waiting up until you get home
Call the radio if you just can't be without your baby	'Cause I can't sleep without you baby
I got a question for you, see I already know the answer	Anybody who's ever loved, you know just what I feel
But still I wanna ask you, would you lie (no)	Too hard to fake it, nothing can replace it
Make me cry (no)	Call the radio if you just can't be without your baby
Do something behind my back and then try to cover it up	I wanna be with you, gotta be with you, need to be with you
Well, neither would I, baby	I wanna be with you, (9) be with you, need to be
My love is only your love (yes)	with you
I'll be faithful (yes)	I wanna be with you, gotta be with you, need to be with you

And with us you'll always (4) the deal	I wanna be with you, gotta be with you, need to be
