What if I wanted to break	All I (5) was you!
augh it all off in your face	I tried to be someone else
Vhat would you do?	But nothing seemed to change
What if I (1) to the floor?	I know now, this is who I really am inside!
Couldn't take this any more	Finally (6) myself! Fighting for a chance I know
Vhat would you do?	now,
Come break me down!	THIS IS WHO I REALLY AM!
Bury me, (2) me!	Come break me down!
am finished with you!	Bury me, bury me!
What if I wanted to fight	I am finished with you!
Beg for the (3) of my life	Look in my eyes!
Vhat would you do?	You're killing me, killing me!
ou say wanted more	All I wanted was you!
But I'm (4) for	Come break me down!
'm not running from you	Break me down, break me down!
Come break me down!	You say wanted more
Bury me, bury me!	(What if I wanted to break?)
am finished with you!	But I'm waiting for
Look in my eyes!	I'm not running (7) you
ou're killing me, killing me!	(What if I wanted to break?)
