Right Here Waiting by Richard Marx

Oceans apart day after day	Whatever you do	
And I (1) go insane	I will be (11)(12)	
I (2) your voice on the line	(13) for you	
But it doesn't stop the pain	Whatever it takes	
If I see you next to never	Or how my (14) breaks	
How can we say forever	I will be right here waiting for you	
Wherever you go	I wonder how we can survive	
Whatever you do	This romance	
I (3) be (4) here waiting for you	But in the end if I'm (15) you	
Whatever it takes	I'll take the chance	
Or how my heart breaks	Oh, can't you see it baby	
I will be right (5) waiting for you	You've got me (16) crazy	
I (6) for granted, all the times	Wherever you go	
That I thought (7) last somehow	Whatever you do	
I hear (8) laughter	I will be right here (17) for you	
I (9) the tears	Whatever it takes	
But I can't get (10) you now	Or how my (18) breaks	
Oh, can't you see it baby	I will be right (19) (20)	for you
You've got me going crazy	Waiting for you	
Wherever you go
