

Fill in the gaps

I (1) on so nervously	Well, I'm (15) imagining
To me and my drink	A dark (16) place
I (2) it was cooling me	Or your place or my place
But so far has not been good	Well I'm not paralyzed but I seem to be struck by you
It's been ()	I (17) make you move
And I feel (3) as I should	Because you're standing still
This club has got to be	If your (18) (19) (20)
The most pretentious thing	your eyes can do
Since I thought you and me	You'll probably move (21) through
Well, I am imagining	Me on my way to you
A dark lit place	Well I'm not paralyzed but I seem to be struck by you
Or (4) place or my place	I wanna make you move
Well I'm not paralyzed but I seem to be struck by you	Because you're standing still
I wanna make you move	If your body matches what your eyes can do
Because you're standing still	You'll probably move right through
If your body (5)(6)	Me on my way to you
(7) eyes can do	Not paralyzed but I (22) to be (23)
You'll probably (8) (9) through	by you
Me on my way to you	I wanna make you move
I (10) out for one (11) drink	Because you're standing still
Before I think	If (24) body matches (25) your eyes
I'm looking too desperately	can do
But so far has not been fun	You'll probably move right through
I should just stay home	Me on my way to you
If one thing really (12) one	You'll probably move (26) through
This club (13) hopefully	Me on my way to you
Be (14) in three weeks	You'll probably (27) right through
That would be cool with me	Me on my way to you
