

That would be cool with me

Fill in the gaps

I hold on so nervously	Well, I'm still imagining
To me and my drink	A dark little place
I wish it was cooling me	Or (3) place o
But so far has not been good	Well I'm not paralyzed bu
It's been ()	I wanna make you move
And I feel awkward as I should	Because you're standing
This club has got to be	If your body (4)
The most pretentious thing	can do
Since I thought you and me	You'll probably move righ
Well, I am imagining	Me on my way to you
A dark lit place	Well I'm not paralyzed bu
Or your place or my place	I wanna make you move
Well I'm not paralyzed but I seem to be struck by you	Because you're (6)
I wanna make you move	If your body (7)
Because you're standing still	You'll probably move righ
If your body matches what your (1) can do	Me on my way to you
You'll probably move right through	Not paralyzed but I seem
Me on my way to you	I wanna (9) yo
I hold out for one (2) drink	Because you're standing
Before I think	If your (10) ma
I'm looking too desperately	You'll probably move righ
But so far has not been fun	Me on my way to you
I should just stay home	You'll probably move righ
If one thing really means one	Me on my way to you
This club will hopefully	You'll probably move righ
Be closed in three weeks	Me on my way to you

A dark little place
Or (3) place or my place
Well I'm not paralyzed but I seem to be struck by you
I wanna make you move
Because you're standing still
If your body (4) what (5) eyes
can do
You'll probably move right through
Me on my way to you
Well I'm not paralyzed but I seem to be struck by you
I wanna make you move
Because you're (6) still
If your body (7) what your eyes can do
You'll probably move right through
Me on my way to you
Not paralyzed but I seem to be (8) by you
I wanna (9) you move
Because you're standing still
If your (10) matches what your eyes can do
You'll probably move right through
Me on my way to you
You'll probably move right through
Me on my way to you
You'll probably move right through
