

Fill in the gaps

You (1) (2) coat off	You're always brilliant in the morning
And stood in the rain	Smoking (12) cigarettes
You're always crazy like that	And talking (13) coffee
And I (3) (4) my window	Your philosophies on art Baroque moved do you love Mozar
Always felt I was outside	And you'd speak of (14) (15) ones
Looking in on you	As I clumsily (16) my guitar
You're always the mysterious one with	Well, excuse me
Dark eyes and careless hair you were	Guess I've (17) you for
Fashionably sensitive but too (5) to care	(18) else
You (6) in my doorway	Somebody who gave a damn
With nothing to say	Somebody (19) like myself
Besides (7) (8) on the weather	These foolish games
Well, in case you (9) to notice	Are tearing me, you're (20) me
In case you failed to see	You're tearing me apart
This is my heart	And your
Bleeding before you	Thoughtless (21) are
This is me down on my knees	Breaking my heart
And (10) foolish (11) are	You're (22) my heart
Tearing me apart	You took (23) coat off
And your	Stood in the rain
Thoughtless words	You're always (24) (25) that
Are breaking my heart	
You're breaking my heart
