

But I can't move on

Missing by Everything But The Girl

I step off the train		And I miss you
I'm walking down your street again		Like the deserts miss the rain
And pass (1) door		And I miss you, yeah
But you don't live there anymore		Like the deserts miss the rain (I miss you)
It's years since you've been there		I step off the train
And now you've (2)	somewhere	I'm walking down your street again
Like outer space		Pass your door
You've found some better place, and I miss you		I guess you don't live there anymore
Like the deserts miss the rain		It's years since you've been there
And I miss you		And now you've disappeared somewhere
Like the deserts miss the rain		Like (9) space
Could you be dead		You've found some better place
You always were two steps ahead		And I miss you
Of everyone		And I miss you
We'd walk behind while you would run		You've found some better place
I (3) up at your house		And I miss you
And I can almost hear you shout, (4)	to me	Like the deserts miss the rain
Where I always used to be		And I miss you, yeah
And I (5) you		Like the deserts miss (the rain)
Like the deserts miss the rain		And I miss you, and I (10) you
And I miss you		Like the deserts miss the rain
Like the deserts (6) the rain		And I miss you, yeah
Back on the train		Like the deserts miss (the rain)
I ask why did I come again		The deserts miss the rain
Can I confess		Like the deserts miss the rain (like the deserts miss the rain
I've been hanging around your old address		Like the deserts miss the rain
And the (7) have proved		
To (8) nothing since you moved
