Listen	For someone like you
've had other guys	Don't you know, don't you know that it's
've looked into their eyes	True love, oh baby
But I never knew love before	True love, oh baby
Till you walked through my door	True love, oh baby
've had other lips	True love it's
've sailed a thousand ships	True love, oh baby
But no matter where I go	True love, oh baby
You're the one for me baby this I know	True love, oh baby
Cause it's	True love it's
True love	True, so if you should ever doubt
