

## Fill in the gaps

You're not alone	Keep holding on
Together we stand	Cause you know we'll (7) it trough, we'll make it
I'll be by your side	trough
You (1) I'll take your hand	Just stay strong
When it gets cold	Cause you know I'm here for you
And it feels like the end	There's nothing you can say, nothing you can do
There's no place to go	There's no other way when it comes to the truth
You know I wont give in	So keep holding on
No I (2) give in.	Cause you know we'll make it trough, we'll make it trough.
Chorus:	Hear me when I say, when I say
Keep holding on	I (8) nothing's gonna change,
Cause you know we'll make it trough, we'll make it trough	nothing's gonna change destiny
Just stay strong	Whatever is meant to be
Cause you know I'm (3) for you	We'll work out (9) yeah yeah yeah
There's nothing you can say, nothing you can do	yeah
There's no other way when it (4) to the truth	Lalalalalala
So keep (5) on	Keep holding on
Cause you know we'll make it trough, we'll make it trough.	Cause you know we'll make it trough, we'll make it trough
So far (6) I wish you were here	Just stay strong
Before it's too late this could all disappear	Cause you (10) I'm here for you
Before the doors close, this comes to an end	There's nothing you can say, nothing you can do
But with you by my side I will fight and defend	There's no other way when it comes to the truth
I'll fight and defend yeah yeah.	So keep holding on
	Cause you know we'll make it trough, we'll make it trough.
