

## Fill in the gaps

### Barely Breathing by Duncan Sheik

I know what you're doing  
I see it all too clear  
I only taste the saline  
When I kiss away your tears  
You really had me going  
Wishing on a star  
But the black holes that surround you  
Are heavier by far  
I believed in (1)\_\_\_\_\_ confusion  
You were so completely torn  
It must have (2)\_\_\_\_\_ that yesterday  
Was the day that I was born  
There's not (3)\_\_\_\_\_ to examine  
There's nothing (4)\_\_\_\_\_ to hide  
You (5)\_\_\_\_\_ can't be serious  
If you have to ask me why  
I say good-bye  
'Cause I am barely breathing  
And I can't find the air  
I don't know who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price  
It's worth the price, the price that I would pay  
Everyone keeps asking  
What's it all about  
I used to be so certain  
And I can't (6)\_\_\_\_\_ out  
What is this attraction  
I only (7)\_\_\_\_\_ the pain  
Nothing left to reason  
And only you to blame  
Will it ever change

'Cause I am barely breathing  
And I can't find the air  
I don't know who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price  
It's worth the price, the price that I would pay  
But I'm thinking it over anyway  
I'm thinking it over anyway  
I've come to find  
I may never know  
Your changing mind  
Is it friend or foe  
I rise above  
Or sink below  
With every time  
You come and go  
Please don't  
Come and go  
'Cause I am (8)\_\_\_\_\_ breathing  
And I can't (9)\_\_\_\_\_ the air  
I don't (10)\_\_\_\_\_ who I'm kidding  
Imagining you care  
And I could stand here waiting  
A fool for another day  
I don't suppose it's worth the price  
It's worth the price, the price that I would pay  
But I'm thinking it over anyway  
I'm thinking it over anyway  
I know what you're doing  
I see it all too clear

Answer

1. your
2. been
3. much
4. left
5. really
6. figure
7. feel
8. barely
9. find
10. know
