This Used To Be My Playground by Madonna

This used to be my playground	Well then, there's (2) yet
This used to be my childhood dream	I can see your face in our secret place
This used to be the place I ran to	You're not just a memory
Whenever I was in need of a friend	Say goodbye to yesterday
Why did it have to end	Those are (3) I'll never say
And why do they always say	(I'll never say)
Don't look back	This used to be my playground
Keep your head held high	(Used to be)
Don't ask them why	This used to be our pride and joy
Because life is short	This used to be the place we ran to
And before you know	That no one in the world could (4) destroy
You're feeling old	This used to be our playground (used to be)
And your heart is breaking	This used to be our childhood dream
Don't (1) on to the past	This (5) to be the place we ran to
Well, that's too much to ask	I wish you were standing here with me
This used to be my playground	This used to be our playground
(Used to be)	(Used to be)
This used to be my childhood dream	This used to be our childhood dream
This used to be the place I ran to	This (6) to be the (7) we ran to
Whenever I was in need of a friend	The best things in (8) are always free
Why did it have to end	Wishing you were here with me
And why do they always say	
No regrets
