

Fill in the gaps

This Used To Be My Playground by Madonna

This (1) to be my playground	Well then, there's hope yet
This (2) to be my (3)	I can see your face in our (12) place
dream	You're not just a memory
This used to be the (4) I ran to	Say goodbye to yesterday
Whenever I was in (5) of a friend	Those are (13) I'll (14) say
Why did it have to end	(I'll never say)
And why do they always say	This used to be my playground
Don't look back	(Used to be)
Keep your head held high	This used to be our (15) and joy
Don't ask them why	This (16) to be the place we ran to
Because life is short	That no one in the world could dare destroy
And before you know	This used to be our playground (used to be)
You're (6) old	This (17) to be our childhood dream
And (7) heart is breaking	This (18) to be the (19) we ran to
Don't hold on to the past	I wish you were (20) (21) with
Well, that's too much to ask	me
This used to be my playground	This (22) to be our playground
(Used to be)	(Used to be)
This used to be my childhood dream	This used to be our childhood dream
This used to be the place I ran to	This (23) to be the place we ran to
Whenever I was in need of a friend	The best things in life are (24) free
Why did it have to end	Wishing you (25) here (26) me
And why do (8) always say	
No regrets	
But I wish (9) you (10) (11)	
with me
