

Fill in the gaps

I (1) to think that I wasn't fine enough	Never knew what I was missing
And I used to think that I wasn't (2) enough	But I knew once we start kissing
But I won't waste my time trying to (3) out	I found
Why you playing games, what's this all about	I found you
And I can't believe you're hurting me	(Who would have known)
I met your girl, what a difference	I'd find you
What you see in her you ain't seen in me	(Who)
But I guess it was all just make believe	Now you're gone, what am I gonna do
Oh, love	So empty my heart, my soul can't go on
Never knew what I was missing	Go on, baby, without you
But I knew once we start kissing	Rainy days fade away
I found	When you come (7) say you're here to stay
Love	With me boy I don't want you to leave me
Never knew what I was missing	I need you (love)
But I knew once we start kissing	Never knew what I was (8) (I never knew)
I found	But I knew once we start kissing
I found you	I found
Now you're gone, (4) am I (5) do	Love
So empty my heart, my soul can't go on	Never knew what I was missing (I never knew)
Go on without you	But I knew once we start kissing
My rainy days fade (6) when you	I found
Come around please tell me, baby	Love
Why you go so far away	Never knew what I was (9) (I never, never
Why you go love	never)
Never knew what I was missing	But I knew (10) we start kissing (we start kissing)
But I knew once we start kissing	I found (I found, I found)
I found	Love
Love	

- 1. used
