Breathless by Asking Alexandria

Fill in the gaps

Get the **** away from me	A way back inside my mind
I know (1) I	I need to find
Have done wrong and continue to do	A way back inside my mind
So but without remorse	I need to find
I know that I	A way back (10) my mind
Am on a fast track to the grave	This is not the end
And I'm headed there alone	This is the end of
I struggle to find (2) this time	This is not the end
Save yourself for a man with a conscience	This is the end of
I fight to find myself this time	This is not the end
Save yourself for a man (3) is not me	This is the end of
I spend my days (4) through pages	This is not the end
Trying to find a way, to get away (5) me	(RAH!)
With love to (6) (7) leaves you	(OHH!)
breathless	Every mistake I've made
Now all I need to find	Leaves a scar that burns every day
A way back inside my mind	Yet still I carry on
I don't want to leave you breathless	Without regret without remorse I'm gone
When will you realize	You're better off to walk away
I don't want to leave you breathless	I am corruption, I am sin
When will you realize	Forget my name
I don't (8) to leave you breathless	Forget my face
When will you save yourself	Forget my name
Yeah!	Forget my face
I spend my days looking through pages	
Trying to find a way, to get away from me	
With love to (9) that leaves you breathless	
Now all I need to find	

- 1. that
- 2. myself
- 3. that
- 4. looking
- 5. from
- 6. give
- 7. that
- 8. want
- 9. give
- 10. inside
