Now look at me baby

### Fill in the gaps

#### Brilliant Disguise by Bruce Springsteen

noid you in my arms	Struggling to do everything right
As the band plays	And then it all falls apart
What are those words whispered baby	(Oh) When out go the lights
lust as you turn away	I'm just a lonely pilgrim
saw you last night	I walk this world in wealth
Out on the edge of town	I want to know if it's you I don't trust
wanna read your mind	'Cause I damn sure don't trust myself
To know just what I've got in this new thing I've found	Now you play the (4) woman
So tell me what I see	I'll play the faithful man
When I look in your eyes	But just don't look too close
s that you baby	Into the palm of my hand
Or just a brilliant disguise	We stood at the altar
heard somebody call (1) name	The gypsy swore our (5) was right
From underneath our willow	But come the wee wee hours
saw something tucked in shame	Well maybe baby the gypsy lied
Jnderneath (2) pillow	So when you look at me
Vell I've tried so hard baby	You better look hard and (6) twice
But I just can't see	Is that me baby
What a woman like you	Or just a brilliant disguise
s (3) with me	Tonight our bed is cold
So tell me who I see	I'm lost in the (7) of our love
When I look in your eyes	God have mercy on the man
s that you baby	Who doubts (8) he's (9) of
Or just a brilliant disguise
