Something Beautiful by Robbie Williams

You can't manufacture a miracle		If you're lost, hurt, tired or lonely	
The silence was pitiful That day Our love is getting too cynical Passion's just physical These days You analyze everyone you meet But get no sign, love ain't kind Every night you admit defeat And cry yourself blind If you can't wake up in the morning 'Cause your bed lies vacant at night If you're lost, hurt, tired or lonely Can't (1)		Can't control it	
		Try as you might	
		May you find that love that won't leave you	
		May you find it by the end of the day	
		You won't be lost, hurt, tired and lonely	
		Something beautiful will come your way	
		(Will come your way)	
		Some kind of beautiful	
		(Will come your way)	
		Some kind of beautiful	
		(Will come your way)	
		Some kind of beautiful	
		(Will come (5) way)	
		All your (6) think you're satisfied	
May you find that love that won't (2)	you	But they can't see your soul no, no, no	
May you find it by the end of the day		Forgot the time (7) petrified	
You won't be lost, hurt, tired and lonely		When they lived alone	
Something beautiful will come your way		If you can't wake up in the morning	
The DJ said on the radio Life should be stereo Each day In the past you cast the unsuitable		'Cause your bed lies vacant at night	
		If you're lost, hurt, tired or lonely	
		Can't control it	
		Try as you might	
Instead of some kind of beautiful		May you find that love that won't leave you	
You just couldn't wait		May you find it by the end of the day	
All your friends think you're satisfied		You won't be lost, hurt, tired and lonely	
But they can't see your soul no, no, no		Something beautiful will come your way	
Forgot the time feeling petrified		You won't be lost, hurt, tired and lonely	
When (3) (4) alone		Something (8)	will come your way
