Something Beautiful by Robbie Williams

If you can't wake up in the morning

'Cause (3)_____ bed lies vacant at night

Fill in the gaps

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The silence was pitiful	Can't control it
That day	Try as you might
Our love is getting too cynical	May you find that love that won't (4) you
Passion's just physical	May you (5) it by the end of the day
These days	You won't be lost, hurt, tired and lonely
You analyze everyone you meet	Something (6) will come your way
But get no sign, love ain't kind	(Will (7) your way)
Every night you admit defeat	Some kind of beautiful
And cry yourself blind	(Will come (8) way)
If you can't wake up in the morning	Some kind of beautiful
'Cause your bed lies vacant at night	(Will come your way)
If you're lost, hurt, tired or lonely	Some kind of beautiful
Can't control it	(Will come your way)
Try as you might	All your friends think you're satisfied
May you find that love that won't leave you	But they can't see your soul no, no, no
May you find it by the end of the day	Forgot the time feeling petrified
You won't be lost, hurt, (1) and lonely	When they lived alone
Something beautiful will come your way	If you can't wake up in the morning
The DJ said on the radio	'Cause (9) bed lies vacant at night
Life should be stereo	If you're lost, hurt, tired or lonely
Each day	Can't control it
In the past you cast the unsuitable	Try as you might
Instead of some kind of beautiful	May you find that love that won't leave you
You just couldn't wait	May you find it by the end of the day
All (2) friends think you're satisfied	You won't be lost, hurt, tired and lonely
But they can't see your soul no, no, no	Something beautiful will come your way
Forgot the time feeling petrified	You won't be lost, hurt, tired and lonely
When they lived alone	Something (10) will come your way
