Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

| When the sea falls from the shore |
|--|
| As the light sinks low, (1) I see you any more? |
| As the rain falls from the sky |
| Can I bring you back, from a distant lullaby? |
| Show me your vision, the (2) begun |
| Two lights are rising and burning as one |
| In the deep blue of the night |
| Shine the millions of stars and my spirit burning bright |
| Spinning on, (3) the sun |
| Flying higher now my journey's begun |
| And the cold, cold wind, it blows me away |
| The feeling all over is a black, black day |
| But I know that I'll see you again |
| |
| And I know that you're near me |
| And I know that you're near me There's a star, (4) my name |
| · |
| There's a star, (4) my name |
| There's a star, (4) my name It's echo is true and the (5) is not the same |
| There's a star, (4) my name It's echo is true and the (5) is not the same Take my hand and lead me away |
| There's a star, (4) my name It's echo is true and the (5) is not the same Take my hand and lead me away Bring me (6) to you in (7) arms I'm going to stay |
| There's a star, (4) my name It's echo is true and the (5) is not the same Take my hand and lead me away Bring me (6) to you in (7) arms I'm going to stay Tell me your vision, the story begun |
