I Drove All Night by Cyndi Lauper

I had to escape
The city was (1)_____ and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I (2)_____ all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
What in (3)_____ world
Keep us from tearing apart
No matter (4)_____ I go I hear
The (5)_____ of your heart
I think about you when the night is cold and dark
No one can move me the way that you do
Nothing erases this feeling between me and you
I drove all night
To get to you
Is (6)_____ alright
I drove all night
Crept in (7)_____ room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is (8)_____ alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
