

Fill in the gaps

Here I stand alone	Do you pray that I'd never left your side
With this (1) upon my heart	What if I had never let you go
And it will not go away	Would you be the man I (12) to know
In my (2) I keep on looking back	If I'd stayed, if you'd tried
Right back to the start	If we could only turn back time
Wondering what it was that made you change	But I guess we'll (13) know
Well I tried but I had to draw the line	If only we could turn the hands of time
And still this (3) (4) on	If I could take you (14) would you still be mine
spinning in my mind	'Cause I (15) but I had to (16) the
What if I had never let you go	line
Would you be the man I used to know	And (17) this question keeps on spinning in my
If I'd stayed, if you'd tried	mind
If we (5) turn back time	What if I had never let you go
But I (7) we'll never know	Would you be the man I used to know
Many roads to take	What if I had (18) (19) away
Some to joy, some to heartache	'Cause I (20) love you more (21)
Anyone can lose their way	can say
And if I said that we (8) turn it back	If I'd stayed, if you'd tried
Right (9) to the start	If we (22) only turn back time
Would you (10) the chance and make the change	But I (23) we'll never know
Do you (11) how it would have been sometimes	We'll never know
